Hi Mitch,

Thank you again for a wonderful job!

I am so pleased with the valances and Luminette and Silhouette blinds that you cleaned. When I walk downstairs in the morning, they look so bright and clean. (Even the paint stain continues to fade, and when I have the blind open, you don't even see it.)

Best wishes for the New Year! I will heartily recommend your service to everyone and will contact you again in the spring for my next project.
